

# SUCCESS WORTH CELEBRATING

NOVEMBER WAS AN EXTRAORDINARY MONTH FOR SPACEPOINT, FULL OF ACHIEVEMENTS, INNOVATION, GLOBAL ENGAGEMENT, AND INSPIRING MOMENTS THAT BROUGHT OUR MISSION CLOSER TO SHAPING THE NEXT GENERATION OF SPACE INNOVATORS

NOVEMBER

ISSUE #2

## SPACEPOINT AT STARTUP FESTIVAL MALTA

We were proud to participate in the Startup Festival Malta, showcasing Spacepoint's vision to an international audience of innovators and entrepreneurs. Our presence strengthened partnerships and opened new pathways for collaboration in the global startup ecosystem.

## Shallow Flight

We successfully conducted the Shallow Flight Course at Khalifa University, engaging 30 enthusiastic students in a hands-on learning experience. The program offered students practical exposure to flight dynamics, simulation, and space-related engineering continuing our commitment to young talent development

## H.H. Sheikha Mozah bint Marwan Al Maktoum

We had the privilege of welcoming H.H. Sheikha Mozah bint Marwan Al Maktoum to the PlanetX venue.

### MoU Signing with AirQ

A major highlight was signing an MoU with AirQ, marking a new milestone for youth-focused aerospace education in the UAE.

**Together, we will deliver:**

- Joint programs
- Hands-on workshops
- STEM and UAS learning experiences
- Initiatives connecting students, young engineers, and future talent across the UAE

### SPACEPOINT AT DRIFTX ABUDHABI

SpacePoint participated in DRIFTX Abu Dhabi, through a 3 day booth

#### LIVE PITCH

We also had the opportunity to pitch on the ceremony stage, presenting SpacePoint's vision in front of an engaged audience of industry leaders, investors, and innovators

## RIT

### Rochester Institute of Technology

SpacePoint also participated in the RIT Career Fair Day, where we hosted a booth to connect with students interested in internships and future opportunities. This allowed us to meet talented candidates ready to join SpacePoint's mission-driven environment.
